

FROM OUR INCEPTION, DIVERSITY, EQUITY & INCLUSION HAVE ALWAYS BEEN KEY TO OUR SUCCESS.

We look to attract people with different strengths, experiences and backgrounds. Our diverse perspectives come from many sources including race and gender identity, age, disability status, sexual orientation, religion, professional and life experience, national origin and many other parts of one's identity.

We search for people who share a passion for creating better travel and meetings management.

And at FESTIVE ROAD we believe that we all play a role in being an inclusive business.

We take pride in our achievements and celebrate success.

We are kind and supportive when things don't go right.

We are humble in our engagement with our community and clients.

We unashamedly share our views and encourage the opinions of others.

We recognise we can all learn from each other and to do so makes us stronger.

Our inclusive culture ensures that our people and the wider industry feel supported and connected to what we do and why we do it.
